PROFILE

Transitioning from education and seeking a full-time role in the field of Cloud Technology. 9 years of experience in customer service. Recently obtained the AWS Certified Cloud Practitioner Certificate —an Amazon certificate that covers AWS Cloud concepts, services, and terminology. Also obtained the AWS Solutions Architect Associate Certificate — an Amazon certificate that explains my knowledge of designing and deploying scalable, highly available, and cost-effective applications on AWS cloud infrastructure as an AWS Solutions Architect Associate. It validates my expertise in architecting solutions using AWS services and understanding AWS best practices.

PROFESSIONAL EXPERIENCE

Democracy Prep: Harlem Preparatory

World Studies Teacher

August 2021 – Present

- Create and implement lesson plans and activities for 29 second-grade scholars while developing and using a variety of assessment data to refine curricula and instructional practice
- Collaborate with co-teacher to establish alternative teaching methods built on monitoring scholar's progress
- Participate in weekly coaching sessions, professional development, and collaborative, data-driven reflection with department and grade-level teams to improve professional practice
- Maintain strong relationships with scholars, families, and colleagues through effective and frequent communication

NYC Department of Education, *Substitute Teacher*

October 2020-June 2021
